# Church Discipline

## A Prescription for Congregational Health & Holiness

Is this a topic for me? What do I have to do with church discipline? Is that not a matter for church leaders? No indeed, we are all members of a church-body and are in relationship with our fellow members. How should we react, when we perceive that a brother or sister is behaving in a way that dishonours his Lord? Just turn a blind eye and leave him be? No, we should want to behave in such a way that is good for both the offending brother and the church. For this reason we are thankful that Tommy South, a mature brother and preacher of many years, is willing and able to share his scriptural wisdom and practical experience with us. As in years past, we will also have time for fellowship and recreation in the beautiful surroundings of Hasliberg.
