The Life and Teachings of Isaiah the Prophet

How Suffering and Death Can Save a Nation

Called before the throne room of Yahweh to hear about the fatal rebellion of Israel, Isaiah, an eighth century resident of Jerusalem, volunteered to spend the rest of his forty to sixty years of life calling Israel back to God. Even when he was forewarned that Israel would not listen to him, Isaiah proclaimed repentance and hope until his audience rejected him by sawing him in two. Learn about the fortitude of Isaiah the prophet and God's justice and mercy toward his people and the world. See how suffering and death can save a nation. These ten lessons are rooted in scholarly research but will be made accessible to all ages and levels of learning to the glory of God and for the benefit of His church.

We invite you to this Seminar in the beautiful area of Hasliberg. As in years past, there will be also time for fellowship and recreation.
